

## 65th IFD Congress 2017 in Vienna

The IFD (International Federation for the Roofing Trade) will grant the IFD AWARDS 2017 on its international Congress taking place from Wednesday till Saturday, 18th - 21st October 2017 in Vienna. Conference hotel is the SOFITEL VIENNA STEPHANSDOM.

We are delighted to welcome you!

Vienna is the capital city of Austria. Described by some as Europe's cultural capital, the historic centre of Vienna is rich in architecture, styles from classicist buildings and Baroque castles to Art Nouveau and modern architecture. The late-19<sup>th</sup>-century Ringstraße is lined with grand buildings, monuments and parks.

The historic centre of Vienna and the Palace and Gardens of Schönbrunn are UNESCO as World Heritage Sites. Vienna is renowned for its high quality of life and regularly tops quality of life surveys.

The congress will take place at the 5-star Hotel Sofitel Vienna Stephansdom. From the hotel you can easily walk into Vienna's historical centre. Further afield you will find the only vineyards in a European capital city and the Vienna Woods. Or stay in the hotel and enjoy the breath-taking views from the glazed 18<sup>th</sup> floor "Das Loft" restaurant and lounge. The conference area reserved exclusively for the IFD-Congress is particularly striking.

At the conference well-known speakers will give presentations on important topics concerning the international roofing industry.

During the conference the 2017 IFD Awards for outstanding craftsmanship will be presented at a gala ceremony at Vienna City Hall.

Congress info with conference and program for accompanying people you will find on the enclosed overall program.
