

Granting of the IFD AWARD 2017

IFD Gala evening with the awards of the IFD on 20th October 2017

On the 65th IFD Congress, on Friday evening, a festive Gala evening took place with more than 140 participants in the Emblem Hall of the Vienna City Hall. This opportunity was used, to grant the IFD AWARD 2017 as the highlight of the evening.

The competition for special and exceptional performance of member contractors in the last two years in the categories pitched roof, flat roof, metal roof and facade had been written out in spring of this year.

The competition received a pleasantly good reception. The submitted objects showed outstanding achievements of the roofers. 71 objects from 10 countries had been submitted and 17 projects from together 18 companies from UK, Hungary, Slovakia, South Africa, Russia, China and Austria had been nominated.

Participants and guests from 19 countries arrived at the winner's ceremony, also 13 representatives of the nominated companies.

To be present the guests from China, South Africa, USA and Russia had the longest journey.

All nominees received certificates handed out by the sponsors of the AWARD 2017.

The winners were announced by IFD Board Members and received certificates and a cup.
